

Way of Life!

Kizashi

Accessories
Catalogue

The shape
of things to
come.

Or in other words: Kizashi. A dynamic sports car at heart, Suzuki's exclusive sedan takes a new direction. While boldly mixing sportiness, comfort, and luxury it also offers an inspiring driving experience. So inspiring, in fact, that you probably can't help but imagine the personal touches you could be adding to the mix. But whether you start with the exterior, safety, transportation and protection, or move straight onto the interior, navigation and audio, one thing is for sure: nothing will make the Kizashi shine more than you in the driver's seat.

Some illustrations in this brochure may feature special equipment or accessories.
For precise information about the equipment provided on the vehicle, please contact your Suzuki dealer.

Exterior

Well-crafted possibilities.

More freedom, expanded horizons, worthwhile possibilities. The Kizashi always goes the extra mile. And now you can too. Our meticulously crafted alloy rims will let you refine the look of your Kizashi with minimal effort. Nobody said the extra mile had to be strenuous after all.

1 | Alloy rim¹

12-spoke design 7 x 17,
for tyres 215/55 R17 94W.

Part No. 43210-57L10-ZRD

2 | Alloy rim¹

20-spoke design 8 x 18,
for tyres 235/45 R18 94W

Part No. 43210-57L20-ZNP

3 | Centre cap

Part No. 43252-63J10-0PG

4 | Trunk lid spoiler

with high mount stop lamp and
trunk lid torsion bars, primed
(no ill.).

Part No. 99000-99094-K01

¹Please order centre cap (Part No. 43252-63J10-0PG) separately.

Interior

Wanting for nothing.

The Kizashi's interior is truly one of a kind. Carefully designed to offer comfort and luxury, it boasts fine materials, classy aesthetics and all the interior features you could probably ever need. Except for these six.

1 | Ashtray

Part No. 89810-86G10-5PK

3 | Remote control key case
black, genuine leather.

Part No. 99000-990X6-A11

4 | Coat hanger

attach to the front head rest,
one piece.

Part No. 990E0-79J89-000

2 | Cigarette lighter
no ill.

Part No. 39400-59J10-000

5 | Cooling box

capacity 15 litres, can
be fixed with seatbelt.

Part. No. 990E0-64J30-000

6 | Cooling box

with ISOFIX fastening,
capacity 21 litres.

Part. No. 990E0-64J23-000

Protection

Keeping it pristine and you safe.

1 | Child seat "Baby Safe"

Perfectly safe and comfortable; this 0+ group child seat for babies up to approx. 18 months of age or weighing up to 13 kg is Child Seat Safety Standard ECE R 44/04 tested and approved. Its safety features include a rearward-facing 3-point seatbelt installation system, optimum side impact protection, a 5-point harness system and a head support for babies up to approx. 4 months of age. The seat's softly padded fabric cover is detachable and washable. The child seat cannot be used in the front seat while the passenger's seat airbag is still activated. Please let your SUZUKI dealer deactivate the passenger's seat airbag.

Part No. 990E0-59J14-000

2 | Child seat "Kidfix"

Keeps your little one safe; the Kidfix for groups 2 and 3 seats kids weighing from approximately 15 to 36 kg. It meets the current Child Seat Safety Standard ECE R44/04 regulations and offers optimal side impact protection. Its perfectly routed 3-point seat belt installation plus additional fastening to the ISOFIX anchorage fastening points ensure maximum stability and safety. The headrest height can be adjusted to 11 different positions and the backrest to the angle of the vehicle seat. The reclined position can be set using the lever in the access slot of the detachable and washable booster cushion cover.

Part No. 990E0-59J25-000

3 | Child seat "Duo Plus"

Safe and long term; this group G1 seat accommodates children from 8 months to 4 years of age weighing anywhere between 9 and 18 kg. The seat meets ECE R44/04 regulations, is compatible with the ISOFIX system and features a height adjustable, 5-point belt.

Part No. 99000-990YA-020

4 | Floor mat set

set of 5 black velour carpets with Kizashi logo, for left-hand drive manual or automatic transmission.

Part No. 75901-57LB0-PM3

5 | Trunk mat

anthracite with Kizashi logo.

Part No. 99000-99071-KT2

6 | Mud flap set

rigid, front and rear, 4-piece set, we recommend to paint the parts in body colour.

Part No. 72201-57L00-5PK

7 | Protective rear seat cover for rear seat.

Part No. 990E0-79J44-000

8 | First aid kit

complies with DIN 13164, incl. First aid kit, safety vest and warning triangle.

Part No. 990E0-65J79-000

1 | Roof bicycle module¹
for transporting complete bikes.
Part No. 990E0-59J20-000

2 | Roof bicycle module¹
for transporting bikes with front
wheel removed.
Part No. 990E0-59J21-000

5 | Roof box¹
with universal clamp quicklock
system, additional T-slot fixation
not obligatory, can be opened
from both sides, vol. 430l,
192 x 82 x 42 cm.
Part No. 990E0-59J45-000

7 | Roof ski module¹
for 4 pairs of skies or 2 snowboards.
Part No. 99000-990YT-106

8 | Roof ski module¹
for 6 pairs of skies or 4 snowboards.
Part No. 99000-990YT-107

6 | Mounting kit for Roof box
additional T-slot fixation (no ill.).
Part No. 990E0-59J45-001

Transportation

A sedan's second nature.

4 | Multi roof rack¹
Aluminium tubing with T-slot
fixation system.
Part No. 990E0-57L33-000

3 | Roof rack storage bag
for roof rack, black with large
Suzuki logo.
Part No. 990E0-79J91-000

¹Max. roof load: 50 kg.

Transportation

9 | Rear bike carrier¹
for 2 bikes, aluminium rails, only in combination with tow bar. When opening the back hatch, bike carrier can be pulled outward and does not require removal.

Part No. 990E0-59J22-000

10 | Rear bike carrier extension¹
for a third bike, only in combination with bike carrier (Part No. 990E0-59J22-000) (no ill.).

Part No. 990E0-59J22-001

11 | Luggage net

Part No. 99000-990J5-C30

12 | Retractable luggage box
Part No. 99000-99W09-A01

13 | Tow bar detachable^{1,2}
please order electric harness kit separately.

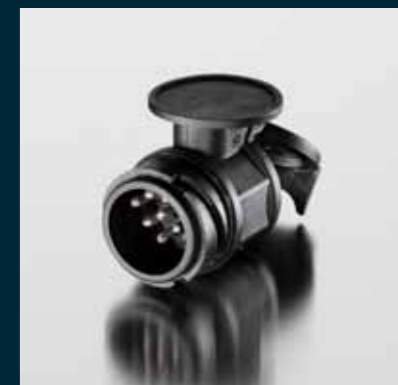

Part No. 990E0-57L00-000

14 | Adapter
to connect 13-pin plug to 7-pin socket.

Part No. 990E0-79J67-000

15 | Harness kit
13-pin with turning signal.

Part No. 990E0-57L01-000

¹ Please observe the max. towing capacity of 720 kg non-braked and 1700 kg braked.

² Please observe the max. vertical load of 75 kg and consult your owner's manual for further details.

Audio and Navigation

A new movement for the senses.

1 | Pioneer AVIC-F20BT

Full scale navigation, entertainment and communication system with a comprehensive European map database and complete control via a unique 3D graphic touch screen interface. Phone calls can be handled with the integrated Parrot Bluetooth^{®1} wireless telephony (microphone included in the scope of delivery).

Main features

Simultaneous navigation and AV entertainment, 7" slide down WVGA screen, touch panel operation with revolutionary AV 3D interface, Map type: pre-installed on built-in flash memory (navigation memory 4GB NAND Flash), Points of interest (POI): 6 million, NavGate FEEDS PC application: downloadable from the internet for custom POIs and Drive Report, NavGate FEEDS for smartphones: downloadable from the Internet for custom POIs (for iPhone^{®2}, Blackberry, Nokia S60), Junction view, Parrot Bluetooth^{®1} wireless telephony, customisable key (RGB multi color) and display illumination, customisable short-cut menu, Multi-sensor navigation, TMC real-time traffic info, 3D Gyro for optimal position determination. Plays: CD and DVD (incl. CD-R/-RW, DVD-R/-RW discs), MP3, WMA, iTunes^{®2} (AAC), WAV music on CD, DVD, SD card and USB, Audio stream via Bluetooth^{®1} sourced directly from the compatible mobile phone, jpeg digital photos (for personalising your start-up screen), MPEG4, WMV, H.264 video on SD card and USB, DivX files on CD and DVD, iPod^{®2} and iPhone^{®2} via optional adaptor P/N 990E0-59J40-POD, USB device via a rear input, Other AV devices via the rear auxiliary input, Radio, Text to Speech voice guidance, Installation type: 2-DIN in-dash, Anti-theft protection. Languages: navigation coverage for 44 European countries; 18 voice guidance languages supported; 17 menu languages supported; for further details please contact your local SUZUKI dealer.

Navigation features

Eco Drive, Drag & Drop menu setting: This function allows you to create your own short cut menu which can act as your home menu. Making it easy to access your most frequently used function. Simply drag and drop icons into your menu to act as a quick link to these functions.
